

Here's Nick Watt. A diplomatic shot [] the bows. Time, says the UK, to [] aspects of the Brexit deal for Northern Ireland after the unilateral [] by Brussels last week to [] border controls on the [] of Ireland. The EU [] retreated, ensuring that Northern Ireland would not be [] up in a [] over vaccines. But in a letter to the EU Michael Gove [] that its [] tactics have undermined confidence across Northern Ireland in the Brexit [] SPEAKER: To Northern Ireland with Ian Paisley. Thank you, Mr Speaker... Unionists are [] by the heart of that deal, [] on some goods crossing the [] Sea. The [] has [] us and has made us feel like foreigners in our own country. Tea and [] will not cut the []. So, what is the Prime Minister [] going to do when the Prime Minister realises that the EU will do [] to help Northern Ireland?
