Enjoy

ENJOY

To enjoy = *piacere a..., divertire a..., adorare, godere.*

This is a TRANSITIVE verb, it MUST have an object!

Enjoy your meal = *Buon appetito*

Enjoy the film = *Godetevi il film*

Enjoy yourself = *Divertiti*

I enjoy swimming = *Amo/mi piace molto il nuoto*

She enjoys the summer = *A lei piace l'estate*

She enjoys the summer very much = *A lei piace moltissimo l'estate*

Do not use Enjoy on its own with no object as this is incorrect.

Enjoy! (what?)

This comes from the USA and is wrong (it originated in Coca-Cola advertising!).

This old advertisement is OK

And this is fine

This is wrong

And this is terrible
